ATTORNEY FOR PATENT
APPLICATION

As a below named inventor, I hereby declare that my citizenship and address is as stated below; I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled above, the specification of which ☒ is attached hereto or ☐ was filed on ___/___/___ as United States Application Number _____, and was amended on ___/___/___; I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above, and I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I further state that I do not know of and do not believe that the invention was ever known or used in the United States of America (USA) before my invention thereof, or patented or described in any printed publication in any country before my invention thereof for more than one year prior to this application, or been in public use or on sale in the USA more than one year prior to this application, or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the USA on an application filed by me, my legal representatives or assigns, more than twelve months prior to this application, nor has an application been filed for such an inventor's certificate prior to this application by me, my legal representatives or assigns.

As a named inventor I hereby appoint Edward E. Roberts, P.O. Box 3206, Dana Point, CA 92629, Reg. No.: 26024, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, with all correspondence to be directed to him unless he notifies the Patent and Trademark Office otherwise

I hereby further declare that all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

For: BICYCLE BRAKE ASSEMBLY WITH)
INTERCHANGEABLE BRAKE PADS)CLAIM FOR SMALL ENTITY
STATUS BY INDEPENDENT
INVENTOR
[37 CFR 1.9 and 1.27]The Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

For purposes of paying reduced fees under Sections 41(a) and (b), Title 35, United States Code, as a below named inventor or co-inventor I hereby declare that.

To the best of my knowledge and belief the above identified application qualifies for small entity status, and I as an independent inventor as defined in said United States Code in that no rights to the invention are held by any person(s) or entities not qualifying as an individual inventor or small business concern under 37 CFR 1.9(c) or (d), or by any concern which would not qualify as a small business concern under 37 CFR 1.9(d), or a non-profit organization under 37 CFR 1.9(e); and

I hereby acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate [37 CFR 1.28(b)]; and

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and such willful false statements may jeopardize the validity of the application, any patent issuing therefrom, or any patent to which this verified statement is directed.
